Heating

Forced Air
Directional and
Overhead Heaters

PROVIDING SOLUTIONS TO MEET PROVINCIAL HEALTH GUIDELINES

Here are some suggestions:

Limit the number of kids in any one area. We can help by expanding your areas:

- Covering locations with tents
- Providing tables and chairs

Increased use of sanitization. We can help by:

- Providing cold water or hot water handwash stations
- Providing hand sanitizer stands and sanitizer dispensers

Limit the number of people in any one area. We can help by:

- Providing tents
- Providing retractable stanchions or fencing for crowd control
