Overhead Heaters

Sanitize

Hand Sanitizer Stations
Electrostatic Sprayers

Distance Control

Ropes & Stanchions
Clear Barriers, Signage
Safety Fencing etc....

PROVIDING SOLUTIONS TO MEET WORKSAFE BC REQUIREMENTS

Here are some suggestions:

-  Large tenting for covering parking area, sidewalks to increase seating and keep physical distancing guidelines
-  Create outside food preparation area for additional kitchen space and service area
-  Hot water handwash station with soap, sanitization
-  Tables, chairs, and heating
-  Sanitization: after a full day of service allow our team to come in and sanitize your entire outdoor dining area
